

C4 eLED®

BRIGHTER & BETTER

The C4 eLED L2 is a versatile & durable primary dive light offering a powerful, penetrating beam in a light-weight, compact package. Boasting a huge increase in beam output from the L1 model, the L2 runs on 4 C cell alkaline batteries, and can produce 1000 lumens (900 of those are in the center beam) with the optional airline-safe, long-life, rechargeable battery pack!

WORLD'S LARGEST SELLING DIVE LIGHT MANUFACTURER

New Bezel

Tough rubber bezel protects against impact

Will Not Corrode

Tough Composite Body, HYDRALUM® and Engineering Polymer components will hold up for 20 years in seawater

Patented Lumen Booster

Improves LED efficiency by pulling heat away from the LEDs

Pistol Grip

Ergonomic pistol grip for a comfortable hold

Dual Power

Locking switch toggles from high to low power

89%

11%

Optimal Beam Ratio

UK's patented optics system puts 89% of the total lumens into the center beam, delivering outstanding seeing distance with minimal glare. Other lights only put 40% of the total lumens into the beam.

Long-Life Airline Safe Battery

Rechargeable Upgrade Kit increases lumen output, is approved for airline travel in checked baggage and will last 10 years with proper care.
