

C8 eLED®

BRIGHTER & BETTER

The C8 eLED L2 is a versatile & durable primary dive light offering a powerful beam in a lightweight, compact package. Boasting a huge increase in beam output from the previous model, the L2 can produce 1200 lumens (1080 of those are in the center beam) with the optional airline-safe, long-life, rechargeable battery pack!

New Bezel

Tough rubber bezel protects against impact

Patented Lumen Booster

Improves LED efficiency by pulling heat away from the LEDs

Dual Power

Locking switch toggles from high to low power

Will Not Corrode

Tough Composite Body, HYDRALUM® and Engineering Polymer components will hold up for 20 years in seawater

Pistol Grip

Ergonomic pistol grip for a comfortable hold

89%

11%

Optimal Beam Ratio

UK's patented optics system puts 89% of the total lumens into the center beam, delivering outstanding seeing distance with minimal glare. Other lights only put 40% of the total lumens into the center beam.

Long-Life Airline Safe Battery

Rechargeable Upgrade Kit increases lumen output, is approved for airline travel in checked baggage and will last 10 years with proper care.
